Oahu League Pennants at 35c

These pennants formerly sold at 75c. This is our special for Friday and Saturday. A nice assortment of FELT PENNANTS now on display in our windows to be sold at a price below cost.

Here's a chance we doubt you ever had before. The Pennants are made of A1 grade Felt, size 15x36. Just the thing for room decoration.

The pennant manufacturer confused our order and sent too large a quantity. We have to make this special reduction in price to get rid of them.

Every baseball fan should have an Oahu League pennant.
